THE GOURMAND BOOK

Bianchi Vending

Vending Solutions

• • •

Add the natural crunchiness of muesli to your hazelnut coffee. For those with an even sweeter tooth, powdered chocolate or chocolate puffed rice are just perfect. Why not add a bitter touch with dark chocolate?

• • •

Want to be tempted even further? Enrich your milk and chocolate with a dusting of powdered chocolate, mixed pralines or crunchy chocolate puffed rice.

• • •

Exalt the taste of your chocolate with a tasty shortcrust pastry biscuit. Spoil yourself and colour your hot drink with all the taste of praline, sugar sprinkles and - why not - a little chocolate powder.

• • •

Add the crunchy and decisive taste of bread croutons to exalt the refined taste of our tomato soup.

The machine that allows you to customise your drink: creamy espresso, delicious drinks with toppings or syrup, in small or large cups.

Give your customers the chance to go on a journey of discovery through traditional flavours and experience numerous delicious ingredients with a top-of-the-range machine. The *Premium Vending* concept offers sensory delights for consumers with its blend of innovation and tradition.

Coffee To Go, and more besides...

Connected to the Coffee To Go unit, the machine provides mini tasty snacks and a practical cover so that you can transport your favourite drink wherever you like.

If you prefer tea you can select from the extensive range of tea bags, just like at the bar!

- DIFFERENT CUP FORMATS
- PRACTICAL LIDS
- DELICIOUS TOPPINGS AND/OR SYRUPS
- TASTY MINI SNACKS
- AROMATIC TEA IN SACHETS
- TOUCH SCREENS 15", 21" OR 32"
